22

"Let the children come to me; do not hinder them,  
for to such belongs the kingdom of God."

~ Mark 10:14b

Nabor House  
Community

# A LETTER FROM OUR EXECUTIVE DIRECTOR

As Executive Director of Nabor House Community, I could not be prouder of the work our team accomplished in 2022! As you review our annual report, please keep in mind the growth and development of this ministry that we hold so dear.

We, along with our precious families, have experienced and endured such a season of challenge. From a global pandemic to increased food insecurity stemming from unprecedented inflation, the Lord continues to provide so abundantly for us! We have proudly served over 500 children and families since our inception in 2014! New programs like Texas Rising Star (TRS) ensure the academic quality of our school. In our first review by TRS, we received a 3-STAR rating (out of 4 stars)! Other partnerships within our community address the hardships of children challenged with special needs. On site, miracles are happening daily at Nabor House Community. Our proudest accomplishment remains the life-change that is taking place for our single mothers – life-change through our savior Jesus Christ!

We strive every day to accomplish what our founder Jerry Stoller envisioned – that we would follow Christ's instructions found in Matthew 28:16-20. Verse 19 commands that we go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. What an honor and a privilege to serve! I thank you for your faithful support of our ministry!

God Bless You!

**TERI MEDINA**

Executive Director

**OUR MISSION**  
*Nabor House Community invests in the growth and development of low-income children and their families by providing quality, affordable early childhood centers in a Christian environment, enabling parents to pursue employment or education.*

---

*"I was able to buy a new car, be part of a new church family, enroll in school, keep my job and have Malachi in a safe school. I'm so grateful this year."*

# A LOOK AT THE NUMBERS

**NUMBER of CHILDREN SERVED SINCE 2014 - 533**

## 2022 NUMBERS

- 126 families served
- 89,964 meals served to children
- Managed costs under \$28 per child per day to feed, care and educate (based on 2022 budget and attendance - includes 2 meals, 1 snack, full-time daycare and education)
- The Gospel was shared 205 times with families or individuals
- 35 salvations
- 120 volunteers
- 1,583 volunteer hours
- 168 early intervention hours for occupational & speech therapy
- 100% percent of our parents have maintained employment
- 100% of our families attended trainings offered through NHC
- 50% of our 2022 graduating class mastered all areas of the TSR (Texas School Ready) state standard requirements
- Meaningful life changes for our 2022 families included: secured new (better) job or continued to work · started own business · enrolled in college or vocational program · participated in betterment seminar/program/group · received promotion or raise · purchased a car, home or property · paid off debts · family re-united · family members baptized · better health · secured new housing

***Thank you to our many volunteers!***

# IDELIA'S STORY

*The last two years have been kind of a nightmare for me, going through a difficult divorce, having my baby daughter diagnosed with Non-verbal Autism made it even harder. I'm here in Houston by myself. I do have some relatives...which have been kind of supportive, but they have their own lives. So, becoming part of Nabor House has meant a lot to me. It feels so heartwarming, it feels like family, it has been a blessing in different ways.*

*They [Nabor House staff] have been there for me in the most important way: Spiritually! Prayers are the most valuable support you can offer someone. Participating in the Bible study has also helped me grow. Praying for the other families helps me realize I might not have everything I need, but I am beyond blessed. Seeing my baby Camila smile, laugh, play and enjoy her time at the center means the world to me. Knowing she has had some difficulties socializing, but now seeing her get along with the teachers and her friends gives me hope. There is no way to say thank you, but to keep you all in my prayers. Thank you for all you do. Thank you for loving my baby. Thank you for your patience, your time, and your smiles. May God bless you in unexpected ways!*

*"A servant has to understand people, help them attain what they want to be."*

*Jerry Stoller  
Nabor House Community Founder*

Jerry Stoller envisioned a childcare facility, birth to preschool, that provided single mothers the opportunity to pursue employment, education, and a better future for their families. He also knew children learned better in a safe environment. In 2013, Jerry founded a nonprofit Christian childcare center. Inspired by his years spent at the University of Illinois, he named the Houston-based charity Nabor House Community after his first collegiate home, the Nabor House Fraternity.

Jerry had a heart for single mothers and low-income families and felt a sense of responsibility to help them and their children become self-sufficient and independent. He did so by offering a "hand-up" rather than a "hand-out." Today, Nabor House Community has not only served over 500 children, but has also enriched the lives of entire families through the power and love of Jesus Christ.
