

THE NABORLY NEWS

NEWS FROM NHC

FROM DALILA AND SAMMIE - DIRECTOR AND ASST. DIRECTOR

We are so honored to share in the amazing things God is doing in our center, our families and our community.

Several months ago, we had a single mother come to NHC desperately looking for childcare. She was homeless with many struggles. Nabor House provided space for her 3 children and blessed her with food, furniture, clothes, shoes etc. The Workforce assisted her with a year of

free childcare and a 6 month's rent-free apartment. Although she has since moved on from Nabor House, it brings great joy to our hearts to be the hands and feet of Jesus, a refuge for those in need.

It is a privilege to represent God, and to be a safe place for the broken, the weary, the sick, the lost. God continues to shine His light over the families we serve in a supernatural way.

An apple a day ...

Once again, our NHC teachers made learning fun! Look at the kiddos doing apple experiments and puzzles in our preschool classes and fruit/veggie sorting in our walkers class.

ROXANN'S TESTIMONY

BY ROXANN

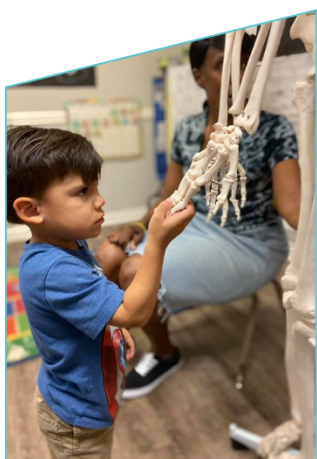

Fausto (L) - Roxann(C) - Juan (R)

To me, the women's Bible study means that I have a safe place to talk about God with my sisters in Christ. It feels good to talk with other women about issues we all face - and have their support and prayers. It is nice to have guidance from Dalila and a prayer at the end. I enjoy the Bible study and I am very grateful for the opportunity to get together with my sisters and grow closer to God.

THANK YOU LILY'S TOY BOX! for blessing our 3 year old girls with dolls and goodies!
